CONCORDIA SPORTS ALUMNI GROUP LAUNCHED

The "**Friends of Concordia Athletics**", a sports alumni support group, has officially come into being at Concordia University.

The role of the newly formed association resembles that of the "Friends of Concordia Hockey" which has existed for many years. Former athletes, coaches, managers and supporters of other varsity sports now have the opportunity to join.

Mr. C. Alex Duff, former Chair of the Concordia Board of Governors will chair the "Friends" Board of Directors. Former "Men's Hockey Friends" President **Larry Carriere** is the group's President. **Kathleen Casey** of the Friends of Women's Hockey will act as Vice President, while Harvey Liverman and Sally Livingston will act as Treasurer and Secretary, respectively. Each of Concordia's sports programs, including men's & women's Hockey, men's & women's Basketball, men's & women's Soccer, men's & women's Skiing, men's & women's rugby, women's Volleyball, Football, and Wrestling will have representation on the Board of Directors.

The goal of the "Friends" is to get people involved in Concordia Sports through reunion games, homecoming events and other social activities. It will attempt to bring together the traditions of Loyola College and Sir George Williams University- the founding institutions of Concordia.
